Growing in Discipleship is Hard Work. Given the complexities of our lives—trying to raise a family, trying to navigate busy work and home schedules, trying to follow Christ--there is a great need for resources and training in how to grow in our relationship with Christ as a Church community.

Catholic Rural Life has worked with many priests, lay men and women, and parishes in dioceses around the country. Participants will come away with tools and inspiration in how to develop or revitalize growth in their parish community.

Early registration fee \$20 due on or before Sept 1 and \$30 after Sept 1; fee includes lunch. For registration information please contact your parish office, the Diocese of Little Rock Office of Faith Formation 501-664-0340, jmoore@dolr.org or visit www.dolr.org.
